The Proficiency awards are based on an individual skaters time relative to the provincial records. The margins are set by the Saskatchewan Speed Skating association and are broken down by distance and type of race (Long Track, Short Track and Olympic Style). The margins are as follows:

<i>Long Track</i>		<i>Short Track</i>		<i>Olympic Style</i>	
<i>Distance</i>	<i>Margin</i>	<i>Distance</i>	<i>Margin</i>	<i>Distance</i>	<i>Margin</i>
100	3 seconds	111	3 seconds	500	5 seconds
200	3 seconds	222	3 seconds	1000	6 seconds
300	5 seconds	333	5 seconds	1500	6 seconds
400	5 seconds	500	5 seconds	3000	10 seconds
500	5 seconds	666	5 seconds	5000	10 seconds
600	5 seconds	777	6 seconds	10000	25 seconds
800	6 seconds	1000	6 seconds		
1000	6 seconds	1500	6 seconds		
1500	6 seconds	3000	10 seconds		
3000	10 seconds				

In order to meet the gold proficiency standard a skater must meet or break a provincial record. In order to meet the silver proficiency standard, a skater's time must be less than or equal to the provincial time plus one half of the proficiency margin. In order to meet the bronze proficiency standard a skaters time must be less than or equal to the provincial time plus the proficiency margin.

The skater's achievement is based on his/her highest proficiency standard within each of the speed skating disciplines (Long Track, Short Track, and Olympic Style)
