Injuries	<ul style="list-style-type: none"> <li>- I believe three injury reports were completed but please refer to the SASSA office for specifics.</li> </ul>
No-shows	<ul style="list-style-type: none"> <li>- Two registered skaters did not complete in any events and were assigned zero points for any missed finals.</li> <li>- Any skaters missing a final were assigned zero points. Any skater disqualified in a final were assigned last place points for that final.</li> </ul>
Records	<ul style="list-style-type: none"> <li>- With the new age categories and meet format, no checking of records was possible.</li> </ul>
Advancements	<ul style="list-style-type: none"> <li>- Advancements to primary file were based on placements. For example "Top 1 + 2" is taken to mean first places and the next two fastest second places.</li> <li>- Placements into secondary and tertiary finals was also based upon placements.</li> </ul>
Electronic timing	<ul style="list-style-type: none"> <li>- Was not in use.</li> </ul>
Team Relays	<ul style="list-style-type: none"> <li>- While a team relay was attempted for the L-2-T skaters, the results were chaotic. Clubs should be practicing this type of race. As well, the SASSA helmet covers should travel to all competitions. These can now be used as LT Mass Start skaters are required to wear helmets.</li> </ul>
Protests	<ul style="list-style-type: none"> <li>- Two skaters had switched helmets on the first day of skating. At the coach's request, the results were switched to reflect the correct skaters.</li> <li>- One skater in L-2-T had submitted a 500m seed time and so should not have been in the slower L-2-T grouping. The skater was moved up to the faster L-2-T group as the grouping size allowed for this with no change in the number of races.</li> <li>- One Olympic Style time was recorded incorrectly but was corrected prior to end of day's skating.</li> </ul>
Meet Flow	<ul style="list-style-type: none"> <li>- The introduction of distances such as 25m and 50m have a definite impact on the office and the flow of paper. Things were hectic.</li> <li>- Skating was completed each day by 3pm. We ran mass start in the afternoon and Olympic Style in the morning.</li> <li>- Moose Jaw needs to build a timer shack for their hardy timer congregation.</li> </ul>
