Placements into secondary and tertiary finals was also based upon placements.</li><li>- The 2400m mass start which was run straight to finals was seeded from the 300m results. However, awarding of points for the 2400m were based strictly upon times, regardless of which final you were in.</li></ul>

5 Minute Race	<ul style="list-style-type: none"><li>- While a 5 minute race was attempted for the L-2-T skaters, the results were inconsistent, not recorded in a consistent manner and were disputed in several areas. Meet Flow	<ul style="list-style-type: none"><li>- The introduction of the mixed formats (ISU with mass start), assigning of points to individual events and the non-automated manner of handling relays, team pursuits, individual pursuits, and so forth meant for a lot of work during the off hours. This can not continue without automation as it is killing the recorder. Will Meet Manager handle this stuff?</li><li>- Skating was completed on Sunday before 2pm.</li></ul>
