**Recorder's Office Report**

Race reruns	Two races were rerun due to competitors skating one extra lap.
Injuries	Two skaters did not complete the competition and the system allocated last place points for any missed finals.
No-shows	Two registered skaters did not complete in any events and were assigned zero points for any missed finals.
Records	No provincial or national records were broken at this competition
Advancements	Advancements were based upon the Canadian ST format and the corresponding 1000 point system was used. See Schedule Index page within the protocol for specifics of each group
Electronic timing	Electronic timing was used for most of the results within group 5. Due to a couple of down times for the system, (camera computer or camera router crashes) not all results were electronic. Electronic times were found to be about 0.15 seconds slower than manual timing.
Fun Racing	One set of barrel racing was conducted for all skaters (using pylons for barrels). As this was strictly a fun event, no results were incorporated into the protocol.
Protests	No protests were filed in the office.
